RANGE: ASSEMBLAGE

TERRE DE 3 (NATURE)

2022

PDO (AOC) ANJOU BLANC

At Terra Vita Vinum, "we cultivate the vines with respect for biodiversity and do everything possible to produce terroir wines with the utmost transparency to deliver unique emotions". Let's remember that our wines are as close as possible to what nature gives us. Each cuvée is therefore a unique work, never before made, and never again.

GEOLOGY

Grey-green schist, sometimes purple, volcanic rhyolithes and green sandstone schist.

CULTIVATION METHOD

Our vines are cultivated in a traditional and selective manner. Soil maintenance is done mechanically without chemical weeding and our vines are protected using preparations made from natural products. **It is for all these reasons that we do not buy grapes, we only vinify those that we grow.**

COMPOSITION

Fermented Chenin juice from a manual harvest.

WINEMAKING

Fermentation and ageing on lees for 14 months, without sulphites added at bottling.

ANALYSIS AFTER BOTTLING (DECEMBER 2023)

Sulphites: total 20 mg/L; Alcohol: 13 % vol; Residual sugars: 0,7 g/L.

TASTING

The spirit of this cuvée is to assemble 3 different terroirs (Rogeries, Grand Vau and Gabouchons). The different schists and volcanic rock blend perfectly and stimulate the chenin to deliver a rich and complex nose and a sapid palate.

ADVICE

Serve at 10°C. to taste between 12 and 14°C.
Cellaring: long.
