RANGE: PARCELLAIRE

BIGOTTIERE

2022

PDO (AOC) SAVENNIERES

At Terra Vita Vinum, "we cultivate the vines with respect for biodiversity and do everything possible to produce terroir wines with the utmost transparency to deliver unique emotions". Let's remember that our wines are as close as possible to what nature gives us. Each cuvée is therefore a unique work, never before made, and never again.

GEOLOGY

Plot located in the commune of Savennières at the top of the Côte des Forges, on green sandstone schist, sometimes with purple passages, often with banks of phyllites with aeolian sands on schist alteration at the bottom of the plot. Exposure: East.

CULTIVATION METHOD

Our vines are cultivated in a traditional and selective manner. Soil maintenance is done mechanically without chemical weeding and our vines are protected using preparations made from natural products, in the respect of biodiversity. **It is for all these reasons that we do not buy grapes, we only vinify those that we grow.**

COMPOSITION

Fermented Chenin juice from a manual selective harvest (1 row tray of 8 kg only).

VINIFICATION

Natural fermentation with yeast from our own grapes, without stirring, fining or filtration.

AGEING

Ageing for 32 months in demi-muid (52%), amphora (36,5%) and concrete egg (11,5%).

ANALYSIS AFTER BOTTLING (MAI 2025)

Sulphites: total 28 mg/L; alcohol: 13% vol; residual sugars: <0,3 g/L; complete malo.

TASTING

The spirit of this cuvée is to use the long ageing to allow the predominance of the "varietal" taste to give way to a more complex mineral expression reflecting the characteristics of a unique terroir.

ADVICE

Serve at 10°C. to enjoy between 12° and 14°C.

Cellaring: 8 years and more.
